Please be patient during drop off and pick up. We will be assisting one family at a time for everyone's safety. You must be buzzed in and out of the front entrance doors.

### FIRST CLIENT ON OPENING DAY!

### FRONT PORCH FRIENDSHIPS

We had an amazing first month in our new "home away from home"! The new atmosphere is beyond our expectations and the activities are endless. There is something for everyone! The clients adjusted smoothly with no issues and the staff is over the moon with the excitement of what we are now able to offer!

We will be having an open house/ribbon-cutting ceremony in the near future and will make sure the families are notified!

**Tell your friends and neighbors about us!**  
**We are so excited for the next phase of Milton Adult Day Services and the help we are able to provide for the community!!**

You can check us out on Facebook or on our website [MiltonADS.org](http://MiltonADS.org) for more pictures & information.
